

Keynote Speaker on Culture, Resilience & Change

BECOME UNSTOPPABLE

Do you often hear your team complain about the lack of clients or not having enough time to get work done? Then blaming it on reduced budgets or worse - poor management?

Perhaps all they need is motivation, renewed focus and drive to reach the results that you know they can achieve.

Lynn is here to enthuse your team with refreshed energy by sharing her 5 key takeaways on how they can beat procrastination and become unstoppable!

Every time you look at your watch - remember the following:

"Watch your time, it is your most precious commodity, you will never ever get this moment back again, so WATCH!"

W - What's the worse that can happen? More fun less glum right!

A - Assumption equals malfunction.

T - Transformation happens when we break the rules.

C - Choose to challenge your comfort zone.

H - Happiness lies in the every day, most mundane moments.

THEY SAID WHAT?

"Her enthusiasm and energy are contagious..." Ellen Fischat, Inspiring50, CEO Storyroom.

"Her ability to grasp our needs and to read the audience ... always impressed me." Gcinashe Vambe, Absa Enterprise Development Manager.

"I have seen a change in my staff..." – Ernest Pretorius, Bachus Financial Services.

SHE IS NOT VANILLA...

From being a waitress to a multi-award-winning entrepreneur & journalist, publisher, coach, author, and keynote speaker, she has designed, worn, and burned most of the t-shirts, but she says you don't need to. She interviewed hundreds of successful entrepreneurs and coached over 500 business owners and realised that they all had one thing in common - RESILIENCE - which started from a mindset CHANGE.

After experiencing an extreme burnout, she underwent a complete transformation in her life and started to break all the rules that kept her small. Through this process, she discovered her true worth - and became unstoppable. She is energetic, engaging, and intertwining wit and humor throughout her talk - underscoring her ethos of having, "More fun and Less glum," throughout.
